INTRODUCTION

Archimedean Upper Conservatory Charter School was founded in July of 2008. Dr. George Kafkoulis, Associate Professor of Mathematics at Florida International University was the chair of the founding committee. Founding Steering committee members included a resource of individuals from the Greek and Greek-American communities, a technical consultant, a faculty member of a local university, and attorneys.

Currently, Archimedean Upper Conservatory is governed by a Board of Directors. Its funding sources come from the Florida Department of Education. Lottery drawings are conducted when applications outnumber the available seats. The School employs certified teachers, and adheres to all health and safety codes, like all other public schools.

Parents play an integral part in this School community, and are required to participate as volunteers, as stated in the Parent Contract. To this end, children, parents, faculty and staff interactions blend together to promote and support this unique educational environment.

MISSION STATEMENT

The mission of the Archimedean Schools is to initiate the young mind to the art of thinking through the teaching of mathematics, English, and the Greek language. The Founders envision creating a charter school whose main goal is to give its students an excellent education with emphasis in the teaching of the two main branches of the 3,000 year-old Greek civilization: The classical achievement in literature and the arts as they permeate modern civilization; and The art of mathematical thinking as the lifeline and the wind behind modern science and technology.

VISION STATEMENT

Archimedean Upper Conservatory aims to offer a rigorous, balanced, and nurturing education of the highest possible quality in an effort to prepare student for successful passage all the way through to the best graduate programs of the world and develop life-long learners capable of sound critical thinking and judgment.

WHAT MAKES OUR SCHOOL UNIQUE

- The American mathematical curriculum and the Greek mathematics curriculum are each taught an hour every day to every student. The Greek language is used as a linguistic vehicle bringing to the students a European type of mathematical curriculum as an enhancement to the standard American mathematics curriculum. Greek as a second language is taught in partial immersion classes, and offers to the students the benefit of learning a language that influenced the majority of the western European languages as well as the scientific and medical terminologies.
- The Archimedean Upper Conservatory, a Conservatory of Mathematics and the Greek language, is a 9th through 12th grade public charter school. The large majority of the student population is of Hispanic heritage, with most students having no Greek heritage.
- AUC's challenging college preparatory program is for those students wishing to reach their full academic and individual potentials.
- AUC's program is intentionally set up to produce students who are capable of successfully handling demanding coursework and course loads while balancing co- and extra-curricular enrichment activities, a skill invaluable in college. Students from freshmen year on take two credits of additional academic coursework yearly compared to that required by the state of Florida. Students therefore graduate having completed 32 credits of coursework, a total of 8 credits or 33% more than the 24 credit minimum state and district graduation requirements. Add to this high school credits completed in middle school, some graduates finish their high school careers with up to 36 credits* or 50% more high school coursework than is typical and expected. GENERAL ARCHIMEDEAN BOARD POLICIES AND PROCEDURES

The Policies and Procedures to be followed by the Archimedean Schools are regulated by the Charter agreements of each school with MDCPS and the decisions of the Archimedean Governing Board. However, in order to be more efficient and in order to facilitate the operation of the schools we shall delegate the Administrators, Directors and Managers of each school function, to create policies and procedures according to the following guidelines.

1. The Schools as a principal follow the policies and procedures set by Miami Dade Public Schools Governing Body. If there is no Archimedean school Policy or Procedure the Schools shall follow the MDCPS Policies and Procedures.
2. The Governing Board of Archimedean Schools may set own Policies and Procedures.

5. Whenever a Policy or Procedure is to affect all Archimedean Schools an administrative meeting may be necessary. During these meetings at the presence of the President of the Schools and Chairman of the Board, administrators should exchange information on relevant issues for consideration. In such meetings requests for revision, additions to or deletions from a policy or a policy change may be made by any Administrator, Director or Manager.
6. All Policies and Procedures, once adopted shall be communicated to all employees, incorporated to employee and or student handbooks and copies should be kept in binders accessible to all.
7. 8. Policies and Procedures shall not conflict with the mission and vision of the Archimedean schools.

Conflicts about policies and procedures shall be resolved by the President and Chairman of the Board of Archimedean Schools, who may decide to bring the issue to the Governing Board for resolution.

EDUCATIONAL PROGRAM OVERVIEW

Curriculum Core Concepts

In establishing its innovative program, Archimedean Upper Conservatory has identified the following core concepts:

- **Small Classroom Sizes:** Our classes consist of fewer than 21 students on average.
- **Hybrid Daily Schedule:** Some class sessions are 65 minutes long, 4 times a week while others are 50 minutes long, 5 times a week. This schedule draws from advantages of both traditional 50-minutes fixed schedule and block schedule.
- **Daily participation in Greek language immersion and Greek mathematics:** Such participation enhances the mission and vision of the school to teach the art of critical thinking in mathematics.
- **Active and constructive parental involvement:** Such involvement ensures that a parent will actively participate in his/her child's education, which serves as a "tuition investment" in the student's education.
- **Innovative use of technology in the classroom:** Curriculum instruction is improved by such technology since it extends and continues the learning environment from the school to the home. Students actively use technology in class.

The Archimedean Upper Conservatory Curriculum

- The curriculum of Archimedean Upper Conservatory is designed to serve students of various ability levels. The course of study for students is based on the Next Generation Florida Sunshine State Standards, and includes language arts, mathematics, science, social studies, foreign languages, and a daily average of two hours of Greek Immersion course of study.
- In addition to the regular academic program, Archimedean Upper Conservatory offers art, and physical education and/or health/personal fitness.

Mathematics

- Archimedean Upper Conservatory students enroll in two one-credit mathematics courses every year except Senior Year.
- One course is taught in English, following the Next Generation Florida Standards, and the national standards (National Council of Teachers of Mathematics, NCTM). This could be any of the following courses: Algebra II, Pre-Calculus, Statistics, Calculus, Multivariate Calculus.
- One course is taught in Greek, following the Next Generation Florida Standards, and the national standards (National Council of Teachers of Mathematics, NCTM). This could be any of the following courses: Geometry, Trigonometry & Analytic Geometry, Discrete Math.

Reading and Language Arts

- The areas of language arts are presented and taught as required by the Miami-Dade County Public Schools' student progression plan and the Florida Standards.
- Students are screened and assessed for their reading strengths and weaknesses (I-ready assessment).

EDUCATIONAL PROGRAM OVERVIEW

- The reading curriculum uses Novel-based instruction, and a wide variety of selected reading resources to teach the Florida Standards.
- Students are encouraged to read daily at home.

Science

- The science course sequence from 9th to 12th grade is currently the following: Physics, Chemistry, Biology, Second Year of Physics or Environmental Science.

Social Studies/Humanities

- The following course sequence (9th grade to 12th grade) is mandatory for all students: World History, Human Geography or European History, U.S. History, American Government and Economics.
- The following course sequence (9th grade to 12th grade) is mandatory for all students: Ethics, Semantic & Logic, Political Philosophy, Women's Studies.

Art, Music and P.E.

- Several Performing & Fine Arts classes are offered every year in the elective zone.
- Physical & Health Education is offered for credit to all students once in their academic program.

Assessment:

The District Testing Calendar is available [Here](#)

The Archimedean Upper Conservatory testing calendar is available [Here](#)

- The Archimedean Upper Conservatory participates in all applicable components of the Florida Standards Assessments and all End of Year Subject Testing as it is developed and implemented in Florida, and other age-appropriate tests that may be required and/or recommended by M-DCPS such as Elevation and Interim Assessments. The students participate in all College Board administrated exams, including PSAT, SAT, and Advanced Placement examinations.
- Other internal testing and assessment, such as competency-based standardized tests, may also be used by Archimedean Upper Conservatory to evaluate the effectiveness of its curriculum and teaching methods.
- The AUC students are encouraged to take part in the Greek Language Attainment Examinations yearly. These are International Greek Language Exams at various levels organized by a department of the Greek Ministry of Education.

FSA LEA AND End of Course Testing Results and School Awards

AUC SCHOOL OPERATIONS PART 1

ARRIVAL, TARDY, DISMISSAL and ABSENT POLICY

Introduction

School Board Rule 6Gx13-5A-1.04: "There are probably no factors more important to successful school progress than regular and punctual school attendance. Students who are tardy or absent excessively from the instructional program will fall behind in academic achievement. Excessive school absenteeism precedes grade failure, loss of interest, and may result in students withdrawing from school.

| AUC SCHOOL HOURS | |
|---|-------------------|
| STUDENT ARRIVAL | 8:00 to 8:30 A.M. |
| CLASSES BEGIN | 8:30 A.M. |
| SCHOOL ENDS (Monday through Thursday) | 4:30 P.M. |
| SCHOOL ENDS (Fridays) | 3:25 P.M. |

ARRIVAL

- Parents are to obey all drop-off and pick-up procedures to ensure the safety and security of all students. Students are dropped-off by the NORTH WEST Entrance prior to 8:30 A.M. **Students arriving to school at 8:30 or later MUST be dropped off by the main reception area on the first floor**, in order to get a late pass and sign the late log. Parking lot traffic flow is to be respected and adhered to at all times.
- Students need to learn the importance of regular school attendance. It is the parents' responsibility to ensure that their child(ren) arrive at school on time.
- The Archimedean Upper Conservatory classes begin promptly at 8:30 a.m. The school day ends at 4:30 P.M. Therefore, **your child must be in his/her classroom and ready to begin the day no later than 8:30 A.M. You should not be dropping them off at that time as they will be late to class.**
- Arrival time is not the time for parent conferences. Faculty and staff have been directed by this administration not to engage in "just one-minute" conferences with parents. This takes the teacher's time and focus away from his/her students at a time critical to beginning a new learning day. **Please do not ask or expect our teachers to compromise this policy.** Teachers welcome pre-arranged conferences to discuss matters regarding his/her students. Your cooperation and understanding is appreciated.

AUC SCHOOL OPERATIONS PART 1

TARDY POLICY

- Our classes must begin promptly. Tardies affect student's academic performance. Tardies also disturb the learning environment of the rest of the class. Students will be given administrative Saturday detentions for **excessive tardies (4 or more within a given quarter)**. Parents are responsible for making sure their child(ren) are on time at school every day.
 - Students must report directly to the main office after 8:30 a.m. for a late pass, or they will not be permitted in class.
 - Students will be given administrative Saturday detentions for excessive tardies (4 or more within a given quarter). Should continued tardies be noted, the parent will be contacted by the School Administration to take administrative action.
 - **Continued tardies will result in a school referral of poor attendance, and will affect the child's permanent record.**
 - For more detailed information please see the **MDPS Attendance Policy**

DISMISSAL POLICY

- Early Dismissal: The Main office will notify the classroom teacher to send your child to the main office. Parent or guardian must sign the Early Pick-Up Log. In order for your child to be excused early, he/she must be signed out by the adult picking them up in the Log for Early Pick-Up.
- There will be no early dismissals after 4:30 P.M.
- Exceptions will be made for doctor appointments, with an appointment card shown by the parent to staff in the main office. Early dismissal after a field trip or school event is not permitted.
- Children may not return to the building after dismissal to wait for friends or siblings, nor visit other classrooms.
- Anyone wishing to pick-up a student must be on the Student Emergency Card.
- **Students 18 years of age may sign themselves out 3 times per school year AUC students are not allowed to park in the school parking lot.**
- **Self-Checked out Students cannot return to school unless they have a doctor's excuse.**

Excused School and Class Absences and Tardies

1. Student illness: Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.
2. Medical appointment: If a student is absent from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment, must be submitted to the principal.
3. Death in family
4. Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed.

All other absences not listed above are considered **unexcused**

The student is expected to:

- take advantage of his/her educational opportunity by attending all classes punctually on a daily basis
- provide the school with a written explanation for any absence/tardiness
- request the make-up assignment for all excused absences/tardiness from his/her teachers upon his/her return to school or class. It should be noted that all class work, due to the nature of instruction, is not readily subject to make-up work
- complete the make-up assignments for classes missed within a reasonable amount of time. Failure to make-up all assignments will result in lower assessment of the student's academic and/or effort grade.

A student accumulating (10) or more unexcused class absences in a school year (or 5 within a semester) will be subject to the withholding or passing of final grades, pending an administrative/parent meeting to review all absences. CODE OF STUDENT CONDUCT

Environment

Archimedean Upper Conservatory maintains an anti-bias or discrimination policy and non-violent atmosphere. It operates under the [M-DPS Code of Student Conduct](#).

Establishing a positive learning environment

- Archimedean Upper Conservatory believes students should demonstrate Respect for self and others; take Responsibility for their own learning and behavior; and, be Ready to Learn each school day.
- Archimedean teachers act as facilitators of learning, while building a sense of community in the classroom. The teachers guide students in critical thinking, decision-making, problem solving, and self-expression.
- Archimedean students are treated as thinking, communicating individuals.
- Archimedean Upper Conservatory follows the Miami-Dade County Public Schools' "Code of Student Conduct Book." Classrooms will be visited by the administration to discuss the contents of the "Code" booklet.
- As a parent understanding of The M-DCPS Code of Student Conduct is important. Disciplinary issues take the form of conflict resolution, talking through issues and natural consequences based on individual student's behavior. Parents will be notified by teachers or by the administration when student behavior warrants this action.
- Each classroom teacher has established a list of rules and appropriate consequences for appropriate student management. These rules are communicated to parents.

BEHAVIORAL MANAGEMENT PROCEDURES

Appropriate behavior and good school work will be rewarded with praise and recognition. When inappropriate behavior is noted, the following action will be taken:

- **First Warning:** Verbal reprimand
- **Second Warning:** Student sent to Assistant Principal (A record is kept of all offenses such as: out of uniform, disruptive behavior, missing homework, etc.)
- **Third and final:** Administrative Saturday Detention. Should behavior persist beyond this point a parent meeting is requested with the student and principal to determine what further action is required.

The Code of Student Conduct Handbook will guide the administrative consequences for continued inappropriate behavior. These consequences include serving detention and indoor/or outdoor suspension. In accordance with the Code of Student Conduct of Miami-Dade County Public schools, certain misbehaviors such as fighting, bullying, defiance of school personnel, and/or harassment call for an immediate suspension with no prior warnings. The school has a zero-tolerance policy for such behaviors. (Please refer to school website for details to this Handbook)

Continued disruptive behavior that is detrimental to the educational function of the School and/or takes away the learning from other students will result in a recommendation by the Principal to the Board of Directors for the expulsion of the student from the School.

COMMUNICATION

School Responsibility

The AUC communicates with parents and students throughout the year about all major events such as: college presentations, exam schedules, achievements and so forth. This communication is done mainly through email. Please make sure that the Main Office has your updated email addresses.

The AUC website archimedean.org is another way to keep informed as to what is happening at school. The AUC teachers all have an Archimedean email which is as follows: first.lastname@archimedean.org. Should you have any problems communicating with teachers please contact : olga.bardoutsos@archimedean.org

As a public school the AUC uses the electronic grade book to report all grades which is a great tool to keep you informed about your son/daughter's progress. It can be accessed at [The Miami Dade Schools Website](#) Report cards and Interim report cards are sent home every nine weeks as per the [Miami Dade Public School Calendar](#)

For the school year 2020-2021 the Archimedean Schools have deviated slightly from the Dade schools school Calendar. Please Refer to the first page of this handbook for the ARCHIMEDEAN SCHOOLS CALENDAR. The changes in the calendar were made to better serve the students' academic interests.

Interim Progress Reports monitor student's progress and are sent home approximately four weeks prior to the end of each nine week grading period. Please sign and return the Progress Report to the homeroom teacher. Note if a conference has been requested by the teacher please contact the appropriate teacher(s) no later than a day after receiving the notice.

Finally the school has ARCHIE for homework use. Teachers will post homework and due dates and students are required to check Archie daily for homework assignments. Each student has his own account. Student username is first letter of his first name and full last name. The password is Archimedean. Once students access their Archie account they are encouraged to change the password. ARCHIE can be accessed at sis.archimedean.org

The Parent Teacher Student Organization (PTSO) is a great source of information about school events and opportunities for parent involvement in their child's education. GENERAL PTSO Meetings are scheduled on the first Thursday of each month at 6:30 PM, Parents are strongly encouraged to participate. Mass Email reminders are sent out with the PTSO Agenda.

Confidential Information

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records, and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders. Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Parent-Teacher Student Organization (PTSO)

The AUC PTSO works closely with the School's administration to schedule events and support the students and the school. There are monthly PTSO meetings (usually the first Thursday of every Month). An email is sent reminding parents to attend the meeting where a great deal of information is shared. It is a great opportunity to communicate with the school and share in the decision making affecting your children. The PTSO works to encourage parent, student and public involvement at the school as a whole.

Insurance

The Student Protection Plan is designed to cover students or injuries received while participating in school sports, while traveling to and from school or when involved in accidents while engages in supervised activities on the school premises. Participation in this program is voluntary; however, all students taking part in athletic competitions must carry the student accident insurance. The school will forward the 2020-2021 enrollment application and additional information to the parents.

Emergency Contact Information

Student Data/Emergency Contact Cards are distributed during the first week of school. Students are expected to bring the cards home and present them to their parents or guardians. The card must be carefully completed and then returned. The information provided on the Student Data/ Emergency Contact Card will enable school staff to contact the parent/guardian immediately in the case of an emergency. Students may only be released from school to the persons listed on the emergency contact card after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Health Screening

Tuberculosis Clinical Screening - Each student shall have proof of a tuberculosis clinical screening and appropriate follow-up prior to initial enrollment in any grade in a Miami-Dade County Public School. This screening is to be

AUC SCHOOL OPERATIONS PART 6

administered at the time of the Student Health Exam and within twelve (12) months prior to initial enrollment in any grade in a Miami-Dade County Public School. If the screening indicates that a follow-up skin test is needed, a student can be admitted but only with a health provider's statement that the student is free of communicable tuberculosis and can attend school.

Special Education

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement. Prior to referral for evaluation, the student must have participated in the school's Progress Monitoring Plan (PMP) program and have been referred to the school's intervention team.

Students with disabilities who are eligible and require special education will have an Individual Educational Plan (IEP). The IEP describes the student's strengths and weaknesses and documents the services and supports the student needs in order to access a Free and Appropriate Public Education (FAPE) in the least restrictive environment (LRE). The IEP is a working plan that must be developed by the IEP team at least once every 12 months and reviewed, when appropriate, to revise and address any lack of expected progress toward annual goals, or to consider any new information that has been provided through re-evaluation or by the parent/guardian.

Parent involvement in the special education process is very important. Parents will be asked to participate in the IEP process each year and to consider the need for their child's re-evaluation at least once every three years.

The Individuals with Disabilities Education Act (IDEA) states that parents of a child with a disability have certain procedural safeguards. The Summary of Procedural Safeguards for Parents of Students with Disabilities documents all the information about the rights of parents. This notice of procedural safeguards is made available to the parent/guardian. Rights that are presented in the procedural safeguard document include, but are not limited to, the right of prior written notice; informed consent; participation in meetings; records, independent educational evaluation, mediation, state complaint; local education agency complaint; due process hearings; resolution meetings; due process; attorney fees; discipline; and private school placement.

As the parent of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Examples of participation are the following:
